

**Location**

Simpsonville, S.C.

**Job Type**

Full-Time

Monday – Friday 6:30am-3:00pm

**Department**

Parks and Recreation

**Summary**

We are looking for a Technician III to join the City of Simpsonville's Parks and Recreation Department! In this role, you will be responsible for ensuring that parks, recreational areas, and facilities are maintained to provide a safe, clean and enjoyable environment for the community.

**Key Responsibilities**

- Conduct routine inspections and maintenance of parks, playgrounds, sports fields, and recreational facilities.
- Oversee and participate in the installations, repair, and maintenance of irrigation systems, lighting, and other park amenities.
- Assist in the planning execution of landscaping projects, including planting, pruning, and turf management.
- Monitor and maintain the cleanliness and safety of park facilities, ensuring compliance with health and safety regulations.
- Respond to public inquiries and concerns regarding park facilities and services, providing excellent customer service.
- Train and supervise lower-level technicians and seasonal staff in maintenance procedures and safety practices.
- Collaborate with other departments and agencies on park improvement projects and community events.
- Performs other duties as assigned.

**Qualifications**

- High School Diploma supplemented by a minimum of one year of experience in a job-related field.
- Previous experience in landscaping or grounds maintenance preferred.
- Ability to operate maintenance equipment safely.
- Good communication skills and ability to work as part of a team.

**Working Conditions**

- Work is performed outdoors in various weather conditions.
- May require lifting heavy objects and standing for extended periods.
- Occasional evening and weekend work may be required for events and maintenance.
